## INSTRUCTIONS FOR SERVICE OF PROCESS BY U.S. MARSHAL

Please type or print legibly, insuring readability of all copies. DO NOT DETACH ANY COPIES. Submit one complete set of this form (USM-285) and one copy of each writ for each individual, company, corporation, etc., to be served or property to be seized or condemned. The applicable fees for such service(s) (T28, USC Sec. 1921 establishes the fees for service of process by the U.S. Marshal) may be required prior to said service.

For service of any process upon an officer or agent of the United States Government, submit a copy of the writ and a set of Form USM-285 for each officer or agent upon whom service is desired. Submit three (3) additional copies of the writs for service upon the Government of the United States. The U.S. Marshal will serve one (1) upon the U.S. Attorney and will forward two (2) to the Attorney General of the United States. (When the applicable box is checked, completion of the final signature block by the U.S. Marshal or his Deputy always certifies service on the U.S. Attorney and the Attorney General, regardless of whether other defendants on the writ were served.) Failure to provide any of the copies will delay service of the writ.

Complete all entries above the double line. Mark all applicable check boxes and use the "Special Instructions" to advise of any information that will assist the U.S. Marshal in expediting service.

If more than one writ and USM-285 is submitted on a single case, the U.S. Marshal will receipt for all of them on the first USM-285. You will receive for your records the last (No. 5) "Acknowledgment of Receipt" copy for all the USM-285 forms you submit. When the writ is served, you will receive the No. 3 Notice of Service copy. This copy will be identical to the return to the Clerk of the Court.

Upon completion of all services (if the Marshals fees were not requested or tendered in advance or if additional fees are indicated), you will receive a "Billing Statement" (copy 4 of USM-285) from the United States Marshal. (NOTE: Copy 4 should be returned, by you, to the U.S. Marshal, together with your payment of the amount owed.

Additional supplies of the USM-285 may be obtained from the Clerk of the U.S. District Court or U.S. Marshal, without cost.

## Rule 45, Federal Rules of Civil Procedure, Parts C &amp; D:

## (c) PROTECTION OF PERSONS SUBJECT TO SUBPOENAS.

(1) A party or an attorney responsible for the issuance and service of a subpoena shall take reasonable steps to avoid imposing undue burden or expense on a person subject to that subpoena. The court on behalf of which the subpoena was issued shall enforce this duty and impose upon the party or attorney in breach of this duty an appropriate sanction which may include, but is not limited to, lost earnings and reasonable attorney's fees.

(2)(A) A person commanded to produce and permit inspections and copying of designated books, papers, documents or tangible things, or inspection of premises need not appear in person at the place of production or inspection unless commanded to appear for deposition, hearing or trial.

(B) Subject to paragraph (d)(2) of this rule, a person commanded to produce and permit inspection and copying may, within 14 days after service of subpoena or before the time specified for compliance if such time is less than 14 days after service, serve upon the party or attorney designated in the subpoena written objection to inspection or copying of any or all of the designated materials or of the premises. If objection is made, the party serving the subpoena shall not be entitled to inspect and copy materials or inspect the premises except pursuant to an order of the court by which the subpoena was issued. If objection has been made, the party serving the subpoena may, upon notice to the person commanded to produce, move at any time for an order to compel the production. Such an order to compel production shall protect any person who is not a party or an officer of a party from significant expense resulting from the inspection and copying commanded.

(3) (A) On timely motion, the court by which a subpoena was issued shall quash or modify the subpoena if it

(i) fails to allow reasonable time for compliance,

(ii) requires a person who is not a party or an officer of a party to travel to a place more than 100 miles from the place where that person resides, is employed or regularly transacts business in person, except that, subject to the provisions of clause (c)(3)(B)(iii) of this rule, such a person may in order

to attend trial be commanded to travel any such place within the state in which the trial is held, or

(iii) requires disclosure of privileged or other protected matter and no exception or waiver applies, or

(iv) subjects a person to undue burden.

## (B) If a subpoena

(i) requires disclosure of a trade secret or other confidential research, development, or commercial information, or

(ii) requires disclosure of an unretained expert's opinion or information not describing specific events or occurrences in dispute and resulting from the expert's study made not at the request of any party, or

(iii) requires a person who is not a party or an officer of a party to incur substantial expense to travel more than 100 miles to attend trial, the court may, to protect a person subject to or affected by the subpoena, quash or modify the subpoena, or, if the party in whose behalf the subpoena is issued shows a substantial need for the testimony or material that cannot be otherwise met without undue hardship and assures that the person to whom the subpoena is addressed will be reasonably compensated, the court may order appearance or production only upon specified conditions.

## (d) DUTIES IN RESPONDING TO SUBPOENA.

(1) A person responding to a subpoena to produce documents shall produce them as they are kept in the usual course of business or shall organize and label them to correspond with the categories in the demand.

(2) When information subject to a subpoena is withheld on a claim that it is privileged or subject to protection as trial preparation materials, the claim shall be made expressly and shall be supported by a description of the nature of the documents, communications, or things not produced that is sufficient to enable the demanding party to contest the claim.
